Law and Education --- Department,

...l f a s.

Sir,

I have the honour to bring to your kind notice that this Board has paid during the year 1931-32 the marginally noted amounts as travelling allowances to schools masters deputed for Census duty last year from the Educational Funds of this ~~Taluk~~ Taluk Board. The Audit department has raised objections for their payment from educational funds and objects that the amounts should be met from General Funds of this Board and requests to readjust the amount from General Funds to Elementary Education Funds.

2. As these amounts have already been paid and the funds under General Fund is also found to be too short to meet the charges. I therefore request you to accord sanction as a special case to meet these amounts from Educational Funds only and to wipe off the audit objections.
